

What are Matching Gifts?

Matching gifts are a fantastic simple way to double and sometimes triple your donation to Birney Elementary to help support our Spanish, Garden and Art programs. Numerous companies support the philanthropy of their employees and their community by “matching” your charitable contribution. First you donate. Then, your employer “matches” it. Its as simple as that!

Can my employer match my donation?

To find out if your employer will match a donation you have given Birney Elementary, check our list uploaded on the Birney PTA and FOABE websites. If you do not see your company listed, don't give up!! Please check with your Human Resources Department today. It is hard to keep current with all the companies that so generously offer a matching gift program. If your company does not currently have a matching gift program, urge them to start one.

Does corporate matching benefit my employer?

Definitely! Yes! Corporations are happy to match your donation as they will receive a tax deduction for their donation.

What do you need to know?

You'll need to know some basic tax information for the Friends of Alice Birney. Found on the next page.

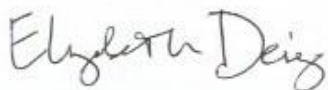

How does the program work?

Programs vary from one company to another, but the process is usually easy and straightforward:

- 1) Contact your employer's HR Department and ask if they have a Matching Gift Program
- 2) Once confirmed your employer does have a Matching Gift program, verify they are able to donate to a nonprofit of your choice and not from a limited list of pre-selected organizations
- 3) Obtain the Matching Gifts form that your company provides. Fill it out with your donation information and the information of the Friends of Alice Birney found on this letterhead.
- 4) Once completed and received, your company will verify your donation with the Friends of Alice

If you have any questions at all, contact Aryn Famiglietti at 760-822-2572

Sincerely,

Beth Deig
President, Friends of Alice Birney Elementary
