

***\$5,000 anonymous donation made to The Friends of Alice Birney Elementary!***

How amazing! We are so excited to announce that we are the fortunate recipients of an anonymous donation in support of Birney's IB program. How exciting to open an envelope and find such a significant donation not related to any of our planned fund raisers! The donor(s) message:

*"We are pleased to present you with the enclosed grant in the amount of \$5,000.00 made on behalf of an anonymous donor at Schwab Charitable Fund. This grant is for wherever it is needed most. Thank you for the good work done by your organization. It is a pleasure to support your programs."*

This incredibly generous donation puts us closer to our goal and emphasizes the value of an IB World School and validates the quality of education at Birney Elementary.

We wish we could thank our donor in person, instead we hope that our message of gratitude reaches them through this e-blast, Ms. Amanda's Buzz, The FOABE FaceBook page, Nextdoor University Heights, and/or a handwritten note to Schwab Charitable fund!

Sincerely,

Jennifer Ayala
