Grab your people, your team costumes, your comfy walking shoes, and water bottles! This is an on-foot race around University Heights that will require the use of one smartphone per team. You will be required to download the Eventzee app on your smartphone to play. Teams will race to answer riddles, geo-cache, search for QR codes at specified locations, and complete photo/video challenges for points.

Teams will be broken out into four separate categories, depending on the grade of the oldest Birney child on your team. **Nurse Bees: TK -1st graders, Forager Bees: 2nd-3rd graders, Bouncer Bees: 4th-5th graders, and Pollinators: alumni & community members.**

The top teams in each category will win and be crowned the ROYALS!
